Professional cosmetics

for

Dogs, Cats and Exotic Pets

LADYBEL, plus ancien fabricant français de cosmétiques animaliers pour professionnels, vous propose une large gamme de produits de toilettage et d'hygiène pour toutes les races de chiens, chats et nouveaux animaux de compagnie.

Depuis 1981, on ne compte plus le nombre de chiens et de chats qui, grâce aux propriétés exceptionnelles des produits LADYBEL, ont remporté les plus prestigieux trophées de beauté, et fait gagner de nombreux toiletteurs lors de concours ou expositions nationales et internationales.

À la pointe de l'innovation, LADYBEL conçoit et développe dans son laboratoire des produits performants distribués dans le monde entier pour embellir la fourrure de nos amis les bêtes, répondre aux demandes particulières et soigner chaque problème spécifique.

LADYBEL a choisi pour vous un packaging clair, moderne, original et résolument tendance. Tous les modes d'emploi sont

traduits dans 4 langues pour satisfaire nos clients internationaux.

LADYBEL s'engage pour la protection de la planète : les emballages sont tous recyclables et la marque utilise les principes actifs de matières nobles, biologique ou/et naturelles (huile de jojoba, huile de cade vraie, huile d'amande douce, germe de blé...).

L'ensemble des soins de beauté LADYBEL, d'une qualité inimitable, vous les retrouvez chez les Toiletteurs, les Éleveurs, les Vétérinaires, les Pharmaciens et sur notre site www.ladybel.fr. Grâce à leurs expériences, ces professionnels sauront vous conseiller dans le choix du produit le mieux adapté à votre animal préféré.

LADYBEL vous propose des soins hautement sophistiqués, depuis toujours LADYBEL est connue et reconnue des amateurs et des professionnels comme :

Beauty secrets for dogs, cats and new pets

DETANGLING AND CARE CONDITIONERS

DÈMÈL'EX®

APPLICATION All tangled coats, excluding cats

ACTION Instant professional detangler

ACTIVE INGREDIENT Organic rice proteins

Powerful professional detangler made up of a combination of cosmetic silicones and organic rice proteins, specially designed to eliminate even the most difficult knots. Anti-static, instant, leave-in. DÈMÈL'EX® is a biphasic treatment that detangles the stubbornest of knots and makes brushing easier. Leaves coat looking shiny.

For cats, use LADY MAGIC®

PACKAGING 75 ml, 200 ml, 400 ml sprays and 1 litre refill

LADY MAGIC®

APPLICATION All fluffy, curly and coarse coats

ACTION Non-greasy conditioning detangler

ACTIVE INGREDIENT Organic rice proteins

Wonderful detangling conditioner with organic rice proteins. Non-greasy. Active ingredients provide highly effective detangling and blow-drying. Non-sticky. Can be used in conjunction with Mouss'Coiff for volumising blow-drying, Ring Parade for show preparation or Wooly Warrior to care for problem, thick or easily-matted fur. All breeds of dog, cat and exotic pet with fluffy or coarse coats: (Poodle, Collie, Pekinese, Bobtail, Spitz, Cocker, Bichon. Particularly suitable for all cats, angora rabbits, Peruvian guinea pigs, hamsters, etc.).

PACKAGING 200 ml spray and 1 litre refill

LADY OIL VISON®

APPLICATION Long, straight, dry and brittle coats

ACTION Ultra-hydrating, regenerating treatment

ACTIVE INGREDIENT Pure natural mink oil

Pure mink oil is unbeatable against coat and skin drying. Nourishes fur and skin, helps detangle, softens coat, repels insects and protects coat colour against dulling.

PACKAGING 200 and 400 ml bottles

LADY MH4®

APPLICATION Long, problem, very dry, brittle and easily-matted coats

ACTION Ultra-hydrating dematting treatment

ACTIVE INGREDIENT Organic jojoba and organic avocado oil

Intense ultra-hydrating treatment with precious organic oils. Deeply nourishes fur and skin, helps detangle and softens coat without attracting dust. Prevents undercoat from matting and wadding. Essential in wraps. The product of choice for professionals with long-haired dogs!

PACKAGING 200 and 400 ml bottles

BIO CREAM®

APPLICATION All delicate, fragile, easily-matted, brittle and damaged coats

ACTION Hydrating, nourishing, regenerating treatment mask

ACTIVE INGREDIENT Organic wheat germ

Extraordinary protective, regenerating, hydrating, detangling treatment mask with organic wheat germ oil, Vitamin E and a number of essential elements with a pH ideal for the skin of dogs, cats and exotic pets. Nutrient-rich, can be used neat, diluted in shampoo or diluted in very hot water as a creme rinse.

For routine grooming or when preparing for a show, enables quick, effective detangling and prevents coat drying and matting.

PACKAGING 200 g, 450 g and 600 g pots

SHAMPOOS, AFTER SHAMPOOS

LADY JOJOBA®

APPLICATION All silky and long coats

ACTION Concentrated toning, hydrating, detangling shampoo

ACTIVE INGREDIENT Organic jojoba oil

This highly nourishing shampoo with organic jojoba oil is specially designed to care for and protect long, luxurious fur. Yorkshires, Afghans, Maltese Bichons, Poodles, Lhasa Apsos, Shih Tzus, Cavalier King Charles Spaniels, Setters, Cockers, etc. Unbeatable against coat and skin drying. Deodorises and shines coat, protects colour.

Lady Jojoba is the shampoo of choice for those who prefer organic plant oils. A lightly fragranced shampoo for natural beauty!

PACKAGING 200 ml and 400 ml bottles and 1 l, 4 l, 10 l and 20 l containers

LADY VISON®

APPLICATION All silky and long coats

ACTION Concentrated hydrating, detangling shampoo

ACTIVE INGREDIENT Natural mink oil

Highly nourishing shampoo with natural mink oil, specially designed to care for and protect long, luxurious fur: Yorkshires, Afghans, Maltese Bichons, Poodles, Lhasa Apsos, Shih Tzus, Cavalier King Charles Spaniels, Setters, Cockers, etc. Unbeatable against coat and skin drying. Deodorises coat, shines, softens and protects colour. The shampoo of champions! Delicately fragranced.

PACKAGING 200 ml and 400 ml bottles and 1 l, 4 l, 10 l and 20 l containers

LADY TEXTURE®

APPLICATION Fluffy, curly or coarse coats

ACTION Concentrated volumising/structuring shampoo

ACTIVE INGREDIENT Natural wheat proteins

Shampoo with structuring natural proteins, specially designed for coats that are limp, excessively fine or lacking in tone. Firms and tones curly, fluffy or coarse coats. Makes it possible to shape and «sculpt» fur on pets with curly, coarse or long and fluffy coats. Nourishes coat and skin, deodorises coat and protects colour. Suitable for Poodles, Bichon frisés, Bobtails, Briards, Lhasas, Bearded, White Swiss Shepherds, Australian Shepherds, Schnauzers, Westies, Cairn Terriers, Fox Terriers, Wire-haired Teckels, Persian Cats, etc.

The «shape and volume» shampoo for dogs, cats and exotic pets.

PACKAGING 200 ml and 400 ml bottles and 1 l, 4 l, 10 l and 20 l containers

JOJOBA CRÈME®

APPLICATION All coats, particularly long and silky

ACTION Concentrated hydrating, detangling after-shampoo

ACTIVE INGREDIENT Organic jojoba oil

Detangling, glossing after-shampoo. Ideal against coat and skin drying, straightens the coat, leaves it silky, smooth and non-static, and effectively facilitates detangling and blow-drying. All breeds of dog, cat and exotic pet with long, luxurious coats. Yorkshires, Afghans, Shih-Tzus, Lhasa Apsos, Poodles, Maltese Bichons, Havanaeses, Coton de Tuléars, Cavalier King Charles Spaniels, etc. The natural, gently-fragranced partner for Lady Jojoba shampoo!

PACKAGING 200 ml and 400 ml bottles and 1 l, 4 l, 10 l and 20 l containers

VISON CRÈME®

APPLICATION All coats, particularly long and silky

ACTION Concentrated hydrating, detangling after-shampoo

ACTIVE INGREDIENT Natural mink oil

Detangling, glossing after-shampoo. Unbeatable against coat and skin drying, straightens the coat, leaves it silky, smooth and non-static, and effectively facilitates detangling and blow-drying. All breeds of dog, cat and exotic pet with long, luxurious coats. Yorkshires, Afghans, Shih-Tzus, Lhasa Apsos, Poodles, Cavalier King Charles Spaniels, Maltese Bichons, Coton de Tuléars, etc.

The natural, gently-fragranced partner for Lady Vison shampoo!

PACKAGING 200 ml and 400 ml bottles and 1 l, 4 l, 10 l and 20 l containers

TEXTURE CRÈME®

APPLICATION Fluffy, curly, coarse or very fine coats

ACTION Concentrated volumising/structuring after-shampoo

ACTIVE INGREDIENT Organic rice proteins

Detangling after-shampoo with organic rice proteins, ideal for increasing tone and volume in long coats. Anti-static, effectively facilitates detangling, tames coat and helps with shaping during blow-drying. All breeds of dog, cat and exotic pet with fluffy or coarse coats. Poodles, Collies, Pekineses, Bobtails, Spitzes, Cockers, Bichon frisés, Bearded, Briards, Persian cats, etc.

The ideal follow-up after shampoo, with an effective, long-lasting fragrance!

PACKAGING 200 ml and 400 ml bottles and 1 l, 4 l, 10 l and 20 l containers

LADYBEL® TIPS
les after shampoos are compatible
with all our shampoos

SPECIFIC SHAMPOOS

LADY 3 ACTIONS®

APPLICATION All coats. Dogs, cats and exotic pets

ACTION Concentrated cleansing, detangling, glossing shampoo

ACTIVE INGREDIENT Natural wheat proteins and milk extract

Fragrant, creamy, gentle shampoo with natural milk and wheat extracts. Cleanses, detangles and glosses in one. Ideal for all breeds of dog, cat and exotic pet. Fresh fragrance. This 3-in-1 shampoo is ideal for animals that are washed occasionally, when travelling, due to lack of time or on holiday.

PACKAGING 200 ml bottle

LADY SALOON®

APPLICATION All coats

ACTION Highly concentrated professional shampoo

ACTIVE INGREDIENT Natural wheat proteins

Multi-purpose shampoo with natural wheat proteins, designed to suit all coat textures and in particular pets that require frequent washing. Deodorises, revives colour and gives the coat a beautiful shiny appearance. Leaves a pleasant fragrance. Grooming salons' favourite shampoo!

PACKAGING 200 ml and 1 l bottles and 4 l, 10 l and 20 l containers

LADY PROTEIN®

APPLICATION All coats

ACTION High-quality concentrated multipurpose shampoo

ACTIVE INGREDIENT Organic rice proteins

Top-of-the-range shampoo formulated with very high-quality organic rice proteins, for all types of fur. Nourishes, restructures and adds shine to the coat, giving a pleasant fragrance. Maintains coat and skin health. Ideal for Poodles, Cavalier King Charles Spaniels, Labradors, Bichons, Lhasa Apsos, Shih Tzus, Setters and Chinese Powder Puff dogs, and Persian, Exotic Shorthair, Maine Coon, Norwegian and Birman cats, etc. The top-of-the-range multi-purpose shampoo.

PACKAGING 200 ml and 400 ml bottles and 1 l, 4 l, 10 l and 20 l containers

LADY TIQCIDE®

APPLICATION All coats. Dogs, cats and exotic pets

ACTION Active anti-parasite shampoo

ACTIVE INGREDIENT Natural Geraniol extract

Natural anti-parasite shampoo, suitable for all types of long or short coat. Highly effective against ticks, fleas and all external parasitic insects, without using a synthetic insecticide. Fights effectively against external parasites on dogs, cats and warm-blooded exotic pets. Deodorises, perfumes and adds shine to the coat.

Laboratory-proven to be effective.

PACKAGING 200 ml and 400 ml bottles and 1 l, 4 l, 10 l and 20 l containers

LADY BABY®

APPLICATION Young or delicate animals

ACTION Concentrated shampoo

ACTIVE INGREDIENT Ultra-gentle ingredient

Shampoo specially designed for the delicate coats and sensitive skin of young animals. Formulated using ultra-gentle cleansing bases, suitable for all breeds of puppy, kitten and young mammal or delicate, elderly animals. Special Baby fragrance.

PACKAGING 200 ml bottle and 4 l container

LADY DEGREASE®

APPLICATION Very greasy or stained coats

ACTION Ultra-concentrated degreasing, stain-removing pre-shampoo

ACTIVE INGREDIENT Natural wheat proteins

Concentrated pre-shampoo with natural wheat proteins. Penetrates deeply to remove excessive sebaceous secretions and grease, tar or dirt stains from the fur.

PACKAGING 200 ml bottle

LADY TRAITAIL®

APPLICATION Irritated, dandruff-prone, itchy skin

ACTION Concentrated soothing, disinfecting medicated shampoo

ACTIVE INGREDIENT Organic cade oil

Medicated shampoo with cade oil for problem skin. Particularly gentle, soothing formula recommended for regular washing of animals with sensitive or irritated skin. Highly effective against dandruff, redness, dermatitis, keratosis, eczema, etc.

With organic cade oil, it cleans, deodorises, nourishes the coat and disinfects the skin, fights dandruff and immediately soothes itching. Repels external parasites. The shampoo for delicate skin!

PACKAGING 200 ml and 400 ml bottles and 1 l, 4 l, 10 l and 20 l containers

LADYBEL® TIPS
the longer is the hair,
the more you dilute shampoo

COLOUR BOOST SHAMPOOS

LADY WHITE®

APPLICATION All white or light-coloured coats

ACTION Concentrated colour-regenerating shampoo

ACTIVE INGREDIENT Organic camomile extracts

Shampoo with organic camomile extracts, specially formulated for white/light-coloured coats. Restores colour, prevents yellowing, spectacularly brightens and glosses fur. All breeds of dog, cat and exotic pet: Poodles, Afghans, Spitzes, Chows-chows, English or American Cocker Spaniels, Cats, etc. Fruity fragrance.

PACKAGING 200 ml and 1 l bottles and 4 l, 10 l and 20 l containers

LADYBEL® TIPS

always choose a shampoo according to the lighter colour of the coat.

DRY SHAMPOOS

BRUSHING POWDER®

APPLICATION	All types of coat, all types of animal
ACTION	Dry shampoo and conditioner
ACTIVE INGREDIENT	100% natural high-quality mineral powder

This natural grooming powder is both an excellent dry shampoo and a wonderful conditioner/glosser. Can be used for cleaning fur of all colours, on all breeds of dog, cat and exotic pet, particularly those that shouldn't be washed frequently. Non-sticky. Can be used before or during shows and for regular cleaning. Cleans, removes grease, deodorises, waterproofs, shines, revives and purifies colours. Gives the fur texture and volume. Facilitates detangling and hair removal and prevents coat from matting. Recommended for Persian, Birman, Maine Coon and Norwegian cats, and Bobtails, Collies, Pekineses, Briards, Shetlands, Fox Terriers, West Highland Whites, Spitzes and Nordic dogs. Ideal for daily cleaning of moustaches on Shih Tzus, bearded, etc.

PACKAGING	250 g (net) shaker
------------------	--------------------

LADY DRY BATH®

APPLICATION	All coats
ACTION	Leave-in shampoo lotion
ACTIVE INGREDIENT	Natural hops extract

Leave-in cleansing lotion with natural hops extract. Cleans effectively, refreshes coat and facilitates volumising blow-drying. Can be used for spot or general cleaning of dogs and cats that can't be made wet due to convalescence, cold weather or travel, puppies and kittens, or elderly or ill pets. Leaves a fresh, fruity fragrance.

PACKAGING	200 ml spray

Beauty secrets for dogs, cats and new pets

AEROSOL SPRAY CONDITIONERS

RING PARADE®

APPLICATION All coats in need of enhancement and highlighting

ACTION Colour enhancer and show presentation

ACTIVE INGREDIENT Organic macadamia nut oil

This conditioner/glosser/detangler uses the marvellous protective and shine-inducing properties of organic macadamia nut oil. Specially designed for preparation and final-brush down at shows. Suitable for dog, cat and exotic pet fur. Anti-static. Tames coat and facilitates fur shaping, deodorises, shines, brightens colours, doesn't leave fur greasy. Coat retains all of its volume and spectacular appearance. Can be applied before or after shampooing to dry or damp fur, and can be used for routine care of animals with fur textures not prone to matting. Also suitable for short coats, adding shine and radiance.

PACKAGING 300 and 500 ml aerosols

VISON MAGIC®

APPLICATION All coats, particularly long and silky

ACTION Active detangling and hydrating treatment

ACTIVE INGREDIENT Natural mink oil

This nourishing treatment with natural mink oil contains Vitamin E and a UV filtering screen. Protects colour, deodorises and facilitates detangling. Leaves coat smooth, supple and shiny. Prevents matting and breaking. Non-sticky, meaning it can be used before a show, but especially for routine, regular care when brushing animals with long, luxurious fur.

PACKAGING 300 and 500 ml aerosols

MOUSS'COIFF®

APPLICATION All fluffy, curly and coarse coats

ACTION Active volumising mousse

This styling, structuring mousse provides effective detangling and facilitates volumising blow-drying. Gives lasting shape and volume, while maintaining a natural-looking coat. Ideal for West Highland White Terriers, Newfoundland Terriers, Bichon frisés, Poodles, Persian cats, etc.

PACKAGING 300 ml aerosol

WOOLY WARRIOR®

APPLICATION Problem, very dry, brittle, easily-matted and damaged coats

ACTION Active detangling and ultra-hydrating treatment

ACTIVE INGREDIENT Organic avocado oil

This ultra-hydrating treatment with organic avocado oil contains Vitamin E and a UV filtering screen. This powerful dematter is a wonderful product particularly suitable for routine, regular care of long, thick, woolly or easily-matted fur. Sheaths and fully restores the coat, without being sticky or attracting dust. Reduces matting and leaves coat smooth, supple and shiny. Aerosol format ensures micro-diffusion, highly practical when caring for dogs whose fur is exposed to the open air. However, it can also be used in wraps or massaged in before a bath.

PACKAGING 300 and 500 ml aerosols

JOJOBA MAGIC®

APPLICATION All coats, particularly long and silky

ACTION Detangling and hydrating treatment

ACTIVE INGREDIENT Organic jojoba oil

This treatment with organic jojoba oil contains Vitamin E and a UV filtering screen. Facilitates detangling, protects colour and deodorises. Leaves coat smooth, supple and shiny. Prevents matting and breaking. For use before shows, but especially for routine, regular care when brushing animals with long, luxurious fur. Jojoba Magic is the conditioner of choice for those who prefer organic plant oils.

PACKAGING 300 and 500 ml aerosols

LADY LAQUE®

APPLICATION All coats and top knot

ACTION Fine natural hold, professional quality

This «haute coiffure» finishing spray boosts coat texture and makes it possible to sculpt the desired shapes specific to each long-haired breed of dog or cat. Holds without stiffening. Easily removed by brushing. Doesn't flake.

PACKAGING 300 ml aerosol

LADYBEL® TIPS

use a detangler while brushing not to break the hair

HYGIENE AND NUTRITION

LADY NET®

APPLICATION All coats, all colours

ACTION Removes stains from fur

Lady Net gently removes stains made by your pet's natural fluids - tears, saliva, urine, etc. - from all types and colours of dog and cat fur.

PACKAGING 100 ml and 200 ml bottles

EAR CLEANER®

APPLICATION Hygiene

ACTION Ear cleansing milk-gel

ACTIVE INGREDIENT Sweet almond oil and Arnica Montana balm

Ear Cleaner is a gentle, creamy milk with sweet almond oil and Arnica Montana balm, used for gently cleaning and removing dirt from the ear canal and soothing irritation. Can be applied as often as necessary.

PACKAGING 100 ml and 200 ml bottles

EYE CLEANER®

APPLICATION Hygiene

ACTION Eye cleansing lotion

ACTIVE INGREDIENT pH neutral

Eye Cleaner is a cleansing lotion that can be used on eyes and sensitive mucous membranes. Removes the dust and impurities that irritate the eyes and helps to prevent eyelids from drying out. Reduces stains underneath the eyes.

PACKAGING 100 ml and 200 ml bottles

BIO GROOM®

APPLICATION All dull, brittle, fragile or weak coats

ACTION Coat-strengthening dietary supplement

ACTIVE INGREDIENT Natural Omega-3 and vitamins

Bio Groom is a multi-vitamin dietary supplement fortified with organic wheat germ oil that helps to condition the skin, encouraging fur growth and regrowth in tired, convalescent and post-partum animals or during and after the winter. Rich in Omega-3, Vitamins A and E, polyunsaturated fatty acids and beta-carotene, it prevents drying and fur loss.

PACKAGING 250 ml and 500 ml bottles

BREATH SPRAY®

APPLICATION Hygiene

ACTION Oral deodorant

ACTIVE INGREDIENT Wild mint extract

Breath Spray, an oral deodorant with wild mint extract, instantly eliminates pets' bad breath and gives a cool, pleasant sensation. Non-toxic, non-hazardous.

PACKAGING 200 ml spray

BEL'DENT®

APPLICATION Oral, no brushing

ACTION Liquid toothpaste

ACTIVE INGREDIENT Active dental plaque prevention

Bel'Dent is a deodorising, disinfecting liquid toothpaste solution that, with regular use, effectively prevents the build-up of tartar. It is applied directly by spraying onto teeth and requires no rinsing. Triple action Bel'Dent prevents the formation of tartar and dental plaque, cleans and protects tooth enamel and neutralises bad breath.

PACKAGING 50 ml and 100 ml spray bottles

CLIP STOP®

APPLICATION Stops cuts bleeding

ACTION Instantaneous haemostatic powder

COMPOSITION Mineral powder

Haemostatic powder to stop small amounts of bleeding when a claw has been trimmed too short or from small cuts. Causes instantaneous clotting.

PACKAGING 20 g pot

LADYBEL® TIPS

*for disease prevention,
take care of him...
and don't forget to use
BEL'DENT® every night!*

REPELLENTS and TRAINING AIDS

TIQKILL® BIG DOG/DOG/CAT

APPLICATION All big dogs, dogs, cats and exotic pets

ACTION Effective insect repellent pipettes

ACTIVE INGREDIENT Natural Geraniol extract

Parasite protection in pipettes, effective for 4 weeks against ticks, fleas, mosquitoes and sand flies. Water-resistant for swimming, but product must be reapplied when pet is washed. TIQKILL® uses the insect-repellent properties of a biodegradable active ingredient of plant origin, Geraniol. Does not contain any synthetic insecticide. See efficacy tests at www.ladybel.fr.

PACKAGING Pots of 3 pipettes

TICK-KEY®

APPLICATION Dogs, Cats, Furry Pets, Humans

ACTION Tick removal key

PRODUCT Color anodized metal

Using a tick removal key is the easiest way on earth to get rid of ticks. 99.9% effective to eliminate insects of all size and types. Very convenient, the flat shape is easy to store and carry. Keep one in your pocket, wallet, bag, on your keychain... anywhere!

PACKAGING Per each in 6 colours

LADY ANTIPIPI®

APPLICATION Indoors and outdoors

ACTION Urine prevention training product

Lady Antipipi is a training product that effectively dissuades your pet from urinating in places in your home that you want to protect. It is non-caustic and can therefore be applied to all types of floor covering, furniture, fabric, etc.

PACKAGING 200 ml spray

BITTER APPLE®

APPLICATION Protection of property and dressings

ACTION Chew prevention training product

This non-toxic, non-hazardous chew prevention training product dissuades dogs and other pets from chewing furniture or other items, damaging their fur or other animals' fur by chewing, licking wounds or ripping off dressings. Chew prevention through taste! Highly persistent.

PACKAGING 200 ml spray

LADY TIQCIDE®

APPLICATION All coats. Dogs, cats and exotic pets

ACTION Active anti-parasite shampoo

ACTIVE INGREDIENT Natural Geraniol extract

Natural anti-parasite shampoo, suitable for all types of long or short coat. Highly effective against ticks, fleas and all external parasitic insects, without using a synthetic insecticide. Fights effectively against external parasites on dogs, cats and warm-blooded exotic pets. Deodorises, perfumes and adds shine to the coat. Laboratory-proven to be effective

PACKAGING 200 ml and 400 ml bottles and 1 l, 4 l, 10 l and 20 l containers

TIQCIDE SPRAY®

APPLICATION Treating surroundings

ACTION Insecticide

ACTIVE INGREDIENT Instantaneous insect killing spray

Insecticide spray with long-lasting effects. Provides effective protection for approximately one week against ticks and fleas, the main carriers of tick fever, as well as lice and other parasitic insects. Ideal for rooms, vehicles, carpets, baskets and animal husbandry equipment, providing protection against crawling or flying insects. The long-lasting, effective insecticide spray! Vanilla fragrance.

PACKAGING 300 ml aerosol

HOME SANITIZOR®

APPLICATION Indoor fumigation

ACTION Decontamination and disinfection

ACTIVE INGREDIENT 1-hour treatment

This fogger produces an insecticidal, fungicidal, bactericidal and virucidal fog against ticks, fleas, dust mites and other insects. Completely disinfects indoor spaces up to 80 m³, particularly nooks and crannies that can't be reached during manual cleaning. Recommended for regular use in all premises such as grooming salons, kennels, etc.

PACKAGING 150 ml aerosol

LADY PROTECT®

APPLICATION All dogs (dogs only)

ACTION Active parasite protection

ACTIVE INGREDIENT Natural Geraniol extract

Powerful parasite repellent lotion, free from synthetic insecticide. Provides highly effective protection for 5 to 6 days against ticks, fleas, Leishmaniasis-carrying sand flies (mosquitoes) and other external parasites. Ideal when used in conjunction with Lady Tiqcide (shampoo) and Tiqcide spray (surroundings).

PACKAGING 200 ml spray

Very solid, the pump is also convenient to handle LADYBEL® drum-packed items.

PACKAGING Per each

LADY RECTA®

APPLICATION All mid-length or curly coats, with thick undercoat, during maiting

PRODUCT High-quality professional hard brush designed for detangling

COMPOSITION Very strong Japanese steel and plastic, made in Switzerland

This very strong brush has a curved plastic handle that is comfortable to use. Removes knots and clumps of fur without damaging the coat. Its legendary effectiveness and durability have made it the preferred tool of grooming professionals and breeders.

PACKAGING Individually packed

LADYBEL® PRESTIGE ULTRA-SOFT BRUSH

APPLICATION All fragile even the most fragile coats, compatible with LADYBEL® oils

PRODUCT Ultra-soft anti-static brushes for glossing all types of coat

COMPOSITION Olive wood with natural pig bristles, Made in France exclusively for LADYBEL®

The pig bristle (ultra-soft) brush is essential for glossing long and very long-haired cats and dogs such as Yorkshire Terriers, Afghans, Cavalier King Charles Spaniels, Shih Tzus, Lhasa Apsos, Maltese Bichons, Coton de Tuléars, Cockers, etc. Facilitates brushing and prevents hair breakage

PACKAGING Individually packed

LADYBEL® PRESTIGE SOFT BRUSH

APPLICATION All fragile even the most fragile coats, compatible with LADYBEL® oils

PRODUCT Ultra-soft anti-static brushes for brushing all types of coat

COMPOSITION Olive wood with natural boar bristles, Made in France exclusively for LADYBEL®

The boar bristle (soft) brush gently massages, promotes good circulation and absorbs impurities from the coat. Suitable for all other types of coat.

PACKAGING Individually packed

BLOC CRAIE®

APPLICATION Coarse coats

ACTION Hair removal aid

COMPOSITION 100% natural calcium carbonate

Can be used for dry cleaning or hair removal on dog breeds with coarse and white or light-coloured coats.

PACKAGING Individually packed

Savoir faire **LADYBEL®**

Avec un éventail de plus de 58 produits différents, LADYBEL propose toujours une solution. Shampoing, Conditionneur, Démêlants, Soins du poil, Produits d'hygiène, Antiparasitaires, Produits éducatifs, Parfums de Grasse. Chaque type de poils a sa gamme de soins spécifiques, chaque couleur de pelage a son shampoing adapté, chaque problème de poil ou de peau à sa réponse bénéfique.

Cette excellence est à votre portée de tous les maîtres d'animaux de compagnie. Ils obtiendront ainsi facilement des résultats efficaces, rapides, concrets, visibles pour des compagnons beaux et sains à un coût raisonnable.

LADYBEL est à votre écoute et répond à vos questions, vous conseille, en direct si nécessaire. Des milliers d'éleveurs, de toiletteurs, de professionnels, de maîtres attentionnés, tous exigeants ont sélectionné et utilisent depuis longtemps la gamme LADYBEL.
